

## **Inbound Study Abroad and Exchange Students**

**Autumn 2020**

**PG Module Availability**

**\*subject to change and demand\***

Last updated on 02/04/2020

# Instructions

## 1. Choose your modules carefully

- ✓ You must discuss the module options available with your academic advisor/ international office at your home institution.
- ✓ Ensure you read the module outline of each module you are interested in carefully. All module outlines are available to read and download via the links provided at the bottom of each programme offering.
- ✓ You must read the module outline before deciding whether you want to take the course or not.
- ✓ You should not choose modules that you have already studied / are studying currently.
- ✓ Check with your home institution how many credits/ modules you must take while abroad. It is your responsibility to know this and you will need to ensure that you are registered in the correct credit load.

## 2. Which courses are available for me to choose from?

- ✓ All modules listed in the table below are open to study abroad and exchange students. All modules are taught as part of Regent's main degrees and have been approved by the relevant Head of Programme(s) at Regent's.
- ✓ Modules are subject to change and demand every term – If you have chosen a module that has been cut prior to the start of the semester, you will be informed immediately and need to choose an alternative course from the updated list.
- ✓ For all Year 3 modules and some others, you will need to meet the pre-requisites of the course. Check the module outline carefully and consult with your academic advisor (and the Inbound Team at Regent's if necessary).
- ✓ The maximum workload of credits you can sign up for is 30 ECTS. 20-25 ECTS is a balanced workload.
- ✓ We strongly encourage you to choose modules from within one programme. For example, if you are choosing your core / required modules from Liberal Studies, it is preferred that you pick modules from only Liberal Studies.
- ✓ You may register for modules across all programmes, but please note that you're more likely to avoid timetable clashes if you pick from similar levels and within the same programme.

## 3. Timetable clashes and modules not running

- ✓ We cannot guarantee that you will be given your first choices. This is due to timetable clashes (especially across programmes and levels) and closed classes. Therefore, you must indicate at least one approved alternative on your online application for every first-choice module (for example, if you need to take 25 ECTS, you should note down as many first choices as needed to reach 25 ECTS, and as many alternative choices to reach 25 ECTS).

You may be given any of these alternative modules (in order of preference) if your first choices are not available.

✓ **Timetable clashes may be avoided if you choose only classes from the same level and programme.**

✓ Please pay attention to any recent amendments in modules listed below. Modules that have been cancelled are marked with a strike: ~~example~~. Modules which are newly added are highlighted in yellow: **example**.

#### 4. Your choices

✓ For further information on choosing your modules, please refer to our application guide to filling in your module choices.

#### 5. Changes to your module choices

✓ You cannot make any changes to your module selections. Once submitted, this is considered your final choice. The Inbound Team passes your choices on to the registry office who will schedule you into classes and create your timetable.

#### 6. Final timetable

✓ Your home university or agent will receive a copy of your provisional timetable approximately two weeks before the start of term. You will then be able to check your final class timetable during Induction Week.

In case we are unable to schedule you into sufficient classes to meet your required credit load, we will then be in touch with you directly prior to your arrival to ask for additional choices.

#### 7. Exams

✓ **You can check if a module requires your presence to sit an exam in January by cross-checking the right column 'Exam in January':**

- 'Yes' means that you will need to stay in London until January or return to London in January to sit the exam;
- 'No' means that you can leave Regent's as soon as classes finish in December and the module will have an alternative assessment method (e.g. essay, presentation, etc.) to be completed by the end of classes.

For more information about your final assessments please consult the module outline.

***\*By submitting your module choices as part of your application, you confirm that you have read and understood the above\*.***

#### 8. Any questions?

✓ Any questions should be directed to the Inbound Team on [studyabroad@regents.ac.uk](mailto:studyabroad@regents.ac.uk)

✓ Please quote your full name and name of your home institution so we can advise swiftly.

✓ Module Outline (detailed module descriptions) are available to read through the links at the bottom of each programme offering.
