Alumni Access Card

- Regent's alumni are entitled to apply for an Alumni Access Card. Alumni are defined as anyone who received a verified award from Regent's University London or its preceding institutions (e.g. Webster, European Business School, Regent's Business School, American Intercontinental University).
- Alumni must apply online for a card via our website. Associate Alumni (those who have studied but not gained an award at Regent's; e.g. inbound study abroad alumni) and current students are not eligible for an Alumni Access Card. Associate Alumni may access campus by emailing alumni@regents.ac.uk for an access letter.
- Your Alumni Access Card will provide you with access to Regent's campus. On your first visit, please go to reception and present your black Alumni Access Card. You will then be given a purple entry card that will give you access to the permitted areas of campus. Please ensure you carry your card with you at all times on campus to provide proof of access. You must retain your purple card for future visits.
- Your Alumni Access Card will be valid for three years and will need to be renewed once expired. Please renew your card upon expiry with Security on your next visit to campus.
- The Alumni Access Card will only allow entry for the named and photographed alumnus/a. Any visitors accompanying the alumnus/a will need to be signed in, up to a maximum of 3 guests. The alumnus/a will act as a representative and must accompany their guest(s) at all reasonable times. In the event of an emergency, the alumnus/a is responsible for evacuating and accounting for all of their accompanying guests.

Conduct on campus

Alumni are expected to abide by the [Alumni Code of Conduct](#) at all times when visiting campus. This can be found on the Regent's University Alumni website.
