# About this guide

This guide is intended to help applicants submitting a Student visa application from overseas. If you are applying for your visa inside the UK, please contact <u>visas@regents.ac.uk</u> to schedule a visa application appointment instead – this guidance will not be right for you.

This document should be used for guidance only. Information provided here is correct at the time it is published (May 2021), however, the UKVI regulations change frequently. We cannot take responsibility for visa applications submitted as a result of this guidance.

Before you start the application, please ensure to familiarise yourself with the information on the Student visa route provided by the UKVI.

If in doubt, please contact Student Immigration Adviser at visas@regents.ac.uk.

# Document checklist for overseas applicants

Depending on your nationality, you may not be asked to provide all the documents with your initial application; however, the relevant documentation may still be requested by the UKVI at a later stage. As such, you need to ensure you have all the required documents ready.

# Getting started

#### Visit the online application form.

As shown on the right, to access the application you will need to click the 'Start now' button located under the 'Apply outside the UK' section.

You do not need to submit the application in one go. You can pause it and return to it later using a link you receive via email once you register your email address in one of the first steps in the application.

You will also be able to go back and edit your answers as long as you do not proceed to make any payments. Once a payment has been made, the answers will be locked.

### Apply outside the UK

As part of your application, you'll need to prove your identity. How you do this depends on where you're from and what type of passport you have.

You'll either:

- give your fingerprints and a photograph (biometric information) at a <u>visa</u> <u>application centre</u>
- use the 'UK Immigration: ID Check' app to scan your identity document you'll also create or sign into your UK Visas and Immigration (UKVI) account

You'll be told what you need to do when you apply.

Once you've started your application, you can save your form and complete it later.

### Start now >

The question on the right is the first one you will see.

The answer to this question is 'No', as you intend to come to the United Kingdom, not one of the Crown Dependencies – islands off the coast of Great Britain.

### Are you intending to live in one of the Crown Dependencies of the United Kingdom?

The Crown Dependencies are Jersey, Guernsey and the Isle of Man

The next question will ask about your passport.

You will need to answer this question in accordance with your circumstances. If you are an EU, EEA or Swiss national, who has or is eligible for a status under the EU Settlement Scheme, please contact us before proceeding.

What you will see next depends on your answer here. The next pages are for students who answer 'yes'.

If you do not have an EU, EEA or Swiss passport, you will need to answer 'no'.

If you answer 'no', please move to <u>page 12</u> of this document.

# Do you have a current EU, EEA or Swiss passport?

The EEA includes the EU countries and Iceland, Liechtenstein and Norway

Yes No

### Notes

As a part of your application, you will need to confirm your identity.

If you have a passport with a biometric chip and a phone on which you can use the app, you will be able to complete this step online.

Otherwise, you will need to attend an appointment at a visa application centre.

Press "continue" to see how you can prove your identity.

### **Confirm your identity**

You will need a passport with a biometric chip.

#### Scan your passport and upload a photo of yourself

To confirm your identity, you will use the free UK Immigration: ID Check app to scan your passport with a biometric chip and upload a photo of yourself.

If you are applying for someone else, the applicant needs to confirm their identity - you can help them use the app.

#### If you cannot use the app to confirm your identity

You will need to go to a visa application centre after you apply instead. Visa application centres are not available in all countries.

Continue

Notes

Have a look at your passport to make sure you answer this question correctly.

Your passport will need to have a biometric chip for you to be able to use the app.

If it does not have the chip, please answer 'no' and go to page 12 of this document.

# Does your passport have a biometric chip?

If your passport has a biometric chip, it will have this symbol:

### Notes

If you answered 'yes' to the previous question, you will see instructions on what kind of phone you will need in order to use the app. You can use someone else's phone for this purpose, too.

If you do not have the access to a phone which works with the app, please click on 'I do not have a phone that can use the app' and go to <u>page 12</u> of this guidance.

Otherwise, please click continue.

### Check you can use the app

You can use the app on:

- an iPhone 7 or newer models
- an Android phone with near-field communication (NFC)

Check the phone's settings to see if it has NFC. The phone has NFC if you can use it to make contactless payments.

#### If you do not have a phone

Ask a friend or family member if you can use their phone. No information is stored on the app or phone after you close it.

You do not have to apply on the phone - you can do the rest of your application on your computer or another device.

We will send your decision letter by email – this can be your email or someone else's. You do not use your decision letter to prove your status.

#### Continue

### Notes

If you confirmed that you have the required passport and phone type to use the Document Checking app, you will now need to create an account with the UKVI, which will allow you to use the app.

You can see a detailed guidance on how to use the app <u>here</u>.

Once you have completed this step, you will be able to proceed with the online application form.

As a part of the application process (once you submit in the online form), you will need to attend a biometrics appointment at a visa application centre. In this step, you need to enter the country in which you are making your application. This should normally be the country where you live.

# Select a country to provide your biometrics

To complete your application, you must make arrangements to provide your biometrics (fingerprints and facial photograph) with our commercial partner, which may involve attending one of their centres. Before confirming that you have checked the available biometric enrollment locations, please click on the link provided on the form – it will take you to the relevant website where you can check this. It is very important that you do so, as you can still change your chosen location at this stage. Once the application is submitted, it will no longer be possible to change the location.

### Check available visa application centre locations

The continued international effort to limit the impact of the coronavirus (COVID-19) pandemic has resulted in the disruption of services at some of the UK's visa application centres. To check the availability of services at your preferred application centre you can find more information by visiting the website of our commercial partner <u>VFS Global</u> who operates our centres around the world.

You can find all VAC locations by checking the <u>'Find a visa application centre'</u> page on GOV.UK. They are also listed on our commercial partners' websites.

You will not be able to change the location after you have submitted your application.

There may not be a VAC in your preferred location. Try an alternative location if this is the case.

You must select a location even if you believe you are unable to provide your biometrics at any location.

### Your details

Add where you are planning to stay Add your course start date Add your course end date Add whether you are continuing a course Add the location of your course

Please ensure to provide all the information as listed on your CAS.

If you are applying to continue the same course (e.g., to undertake resits), you will need to select 'yes'.

Subsequently, when asked if your course is 13 months or less, in case you are applying to continue a course which you already started, you should calculate the entire length of the course for the purpose of this question (not only the extension period).

Please note that any questions about the start and end date of your course should be answered with the dates provided on your CAS (that is, dates of the extension, if applying to continue). Are you applying to continue on the same course for which you were last given Tier 4 Leave to Enter or Remain (e.g. to undertake re-sits)?

Please state whether you are continuing a course

You will then need to agree to the conditions listed before being able to proceed.

Afterwards, you will see a payment summary page which will confirm how much you need to pay. You will then need to proceed to the payment page and pay the required amount online.

Once your IHS payment has been processed, you will be directed back to the application form. You should also receive an automated payment confirmation via email.

# Declaration

I confirm that, to the best of my knowledge and belief, my details are correct and complete.

If I give false information, I, or a person named on this application could be:

- stopped from entering the UK now or in the future
- required to leave or removed from the UK
- required to pay extra for healthcare in the UK

I agree to the <u>terms and conditions</u> and <u>how my information will be</u> <u>used</u>.

### Further steps to complete your application

After paying IHS and returning to the application form, you will need to:

- Pay the visa application fee (at this stage, you will be able to select whether you pay for a standard or a priority visa processing service Priority Service currently not available in most countries due to high influx of applications)
- You will then be able to download the payment confirmation please save this for your own reference
- Once you are in stage 6. Further actions, you will be able to download the summary of your visa application form we advise you save this for your own reference
- You may be asked where you would like to collect your BRP from Please use Regent's address if you would like to collect your BRP directly at the university.
- \* We highly recommend this option as the university will be open most times and able to receive and sign for your BRP.\* You should use the ACL code 2HE957 \*.
- If you were not eligible (or unable) to use the document checking app at the start of the application (the app is mostly available for EU/EAA nationals) then you will need to book a biometrics appointment with a commercial partner of UKVI instead; this will either be <u>TLS Contact</u> or <u>VFS Global</u>. You should be redirected to the relevant website directly from the application page. This is an important step of your visa application as it will allow you to provide the necessary supporting documents and to prove your identity.

### After you submit your application

The UKVI says that it takes around 3 weeks to receive an outcome on your application if applying from overseas and using a standard visa processing service.

You should count these 3 weeks from the date you attended your biometrics appointment (if required).

If you used the mobile app instead of attending an appointment, you should count 3 weeks from the date that you submitted the application and any required documents.

You may be contacted by the Home Office while your application is being assessed. This may be because they want to request an additional document from you or invite you to a credibility interview. Please make sure to check your email regularly as you will need to respond to any correspondence within a short time frame.

Ensure you inform the University if you have any difficulties.

You **MUST** provide the University a copy of your visa documentation when you receive it. If you have any further questions, please contact visas@regents.ac.uk.
