

**Autumn 2023 Enrolment
2023/24 Fee Levels**

The fees quoted apply for new undergraduate and postgraduate entrants from the autumn 2023 term.

Fees for 2024/25 have not yet been set by the University. The University sets fees annually.

Fees for 2024/25 and subsequent years of study are subject to fee inflation.

The University aims to keep annual fee increases in line with the University's cost inflation. The expectation is that this will be no greater than UK consumer price inflation (CPI) plus 3%.

There are occasionally variations to this dictated by the costs of running specific programmes or facilities required for our programmes. The University reserves the right to alter fee levels.
